Do You Love Me? Foundation for Ministry

Key Points

- Our love for Christ precedes and establishes our ability to love others.
 - They are his sheep not mine. I am a steward.

• My relationship with him must be intimate, vibrant and growing if his love is to flow through me.

Consider This

The church of Jesus Christ today has been mightily blessed by God but unless the driving force behind any ministry is total dependence upon the Holy Spirit, all efforts are futile. Great music, eloquent preaching or persuasive personalities are fine but only the power and demonstration of the Holy Spirit can bring people to their knees. – *David Wilkerson*
