Recovery

Rehab Centers

This is the best life changing resource I've found in 25 years of doing recovery ministry. Our residents love it and our staff loves it even more. We plan for each of our 250 residents to go through a Life Relaunch Experience at least once!" - **Larry Pillow, We Can Ministries; Arkansas**

Correctional
Institutions

Life Relaunch has truly been a Godsend to the Augusta Correctional Center. It presents a renewal for the men and the staff sing its praises." - **Harold Clarke, Director of Virginia Department of Corrections**

An exceptional equipping experience for men to confront heart wounds of the past and build solid God-honoring futures. Nowhere will you find a targeted 2-day Gospel presentation that changes lives so profoundly and builds strong masculine accountability at the same time." - **Steve Lambert, Captain, Virginia State Police Retired**

Churches

Setting apart two days to seek God through Life Relaunch has allowed so many women to experience the abundant life Christ offers us through healing, restoration, freedom, and forgiveness. We are so thankful to be able to offer this program at Covenant Church of Naples, FL." - **Nicole Simon**

Community
Groups

As a businessman, I discovered a powerful work of Jesus that I could take to men in Vail Valley, Colorado. We are seeing lives experience restoration and meet Jesus." - **Michael Barry**

Come & See

Join us to witness Jesus transforming lives during a Life Relaunch 2-Day Experience. Then, learn how you can take the curriculum to your church, organization, or Men's or Women's group. We will guide, train and equip you to introduce the Life Relaunch Experience to those you serve.

- † A powerful, proven curriculum provides a framework to bring restoration and revival.
- † The National Life Relaunch Network allows you to learn from team leaders throughout the US.
- † Experience is affordable for churches and men's and women's groups.
- † Experience is offered free to prisons and rehabs.
- † Work alongside existing organizations to bring healing and restoration to a new level.

You know you have God's calling on your life and a passion to serve Jesus, but have not discovered meaningful work.

You have the gifts and ability to lead a small group to bring restoration and revival to the hearts of men and women right in your community.

Come and experience a Life Relaunch that will change your life, and learn how you can reach men and women with powerful kingdom work; one that offers eternal rewards and leaves a legacy of changed lives.
